Freedom 101

A foundation for a life of freedom

During a 13-week Small Groups semester, Freedom Groups gather weekly to discuss the Freedom Small Group curriculum, designed to equip you to live the victorious and abundant life Christ came to give you. Freedom Groups build on the foundation of your faith in Christ to help you embrace the truth of God's Word as it relates to your worldview, your past, your sin, your personal value to God, and your purpose in His Kingdom. This group will help you remove every obstacle to intimacy with God and walk in true freedom.

"So if the Son sets you free, you will be free indeed." — John 8:36

What you will explore

Six core themes from the Freedom curriculum, discussed week by week in community:

Living in the "Tree of Life"

God never wanted us to pursue dead religion; His heart is for us to know Him personally and live in our true identity as His children. Learn what it means to live in the "Tree of Life" and how a simple but powerful perspective shift can impact every area of your life.

Walking in the Spirit

The Spirit-led life can feel hard to reach. Through Freedom, you will learn the principles of spiritual order and how feeding your spirit over your emotions and flesh is key to walking in the Spirit.

Surrendering to Jesus

God calls us to love and serve Him above all else. Freedom will help you learn how to surrender to Jesus, live forgiven and forgive others, and walk in freedom daily.

Speaking Words of Life

Our words have power. Learning to speak words of life that line up with God's Word can change your environment and relationships and break the power of the enemy's words in your life.

Becoming a Vessel God Can Use

God has a unique plan and purpose for your life. Learn how to stand in the authority of Jesus to overcome sin and the enemy's schemes as God uses your life for His glory.

Living as a Worshipper

We all worship something. Freedom will help you daily direct your worship to God and discover how it can influence the heart of everything you do.
